CHAPTER 1

Why You Should Actually Come

(Yeh Dhamki hai! Also we made 60 slides)

Historical Evidence: We're Actually Fun

Data collected from previous Bangalore expeditions

Sample size: Every single time we've visited

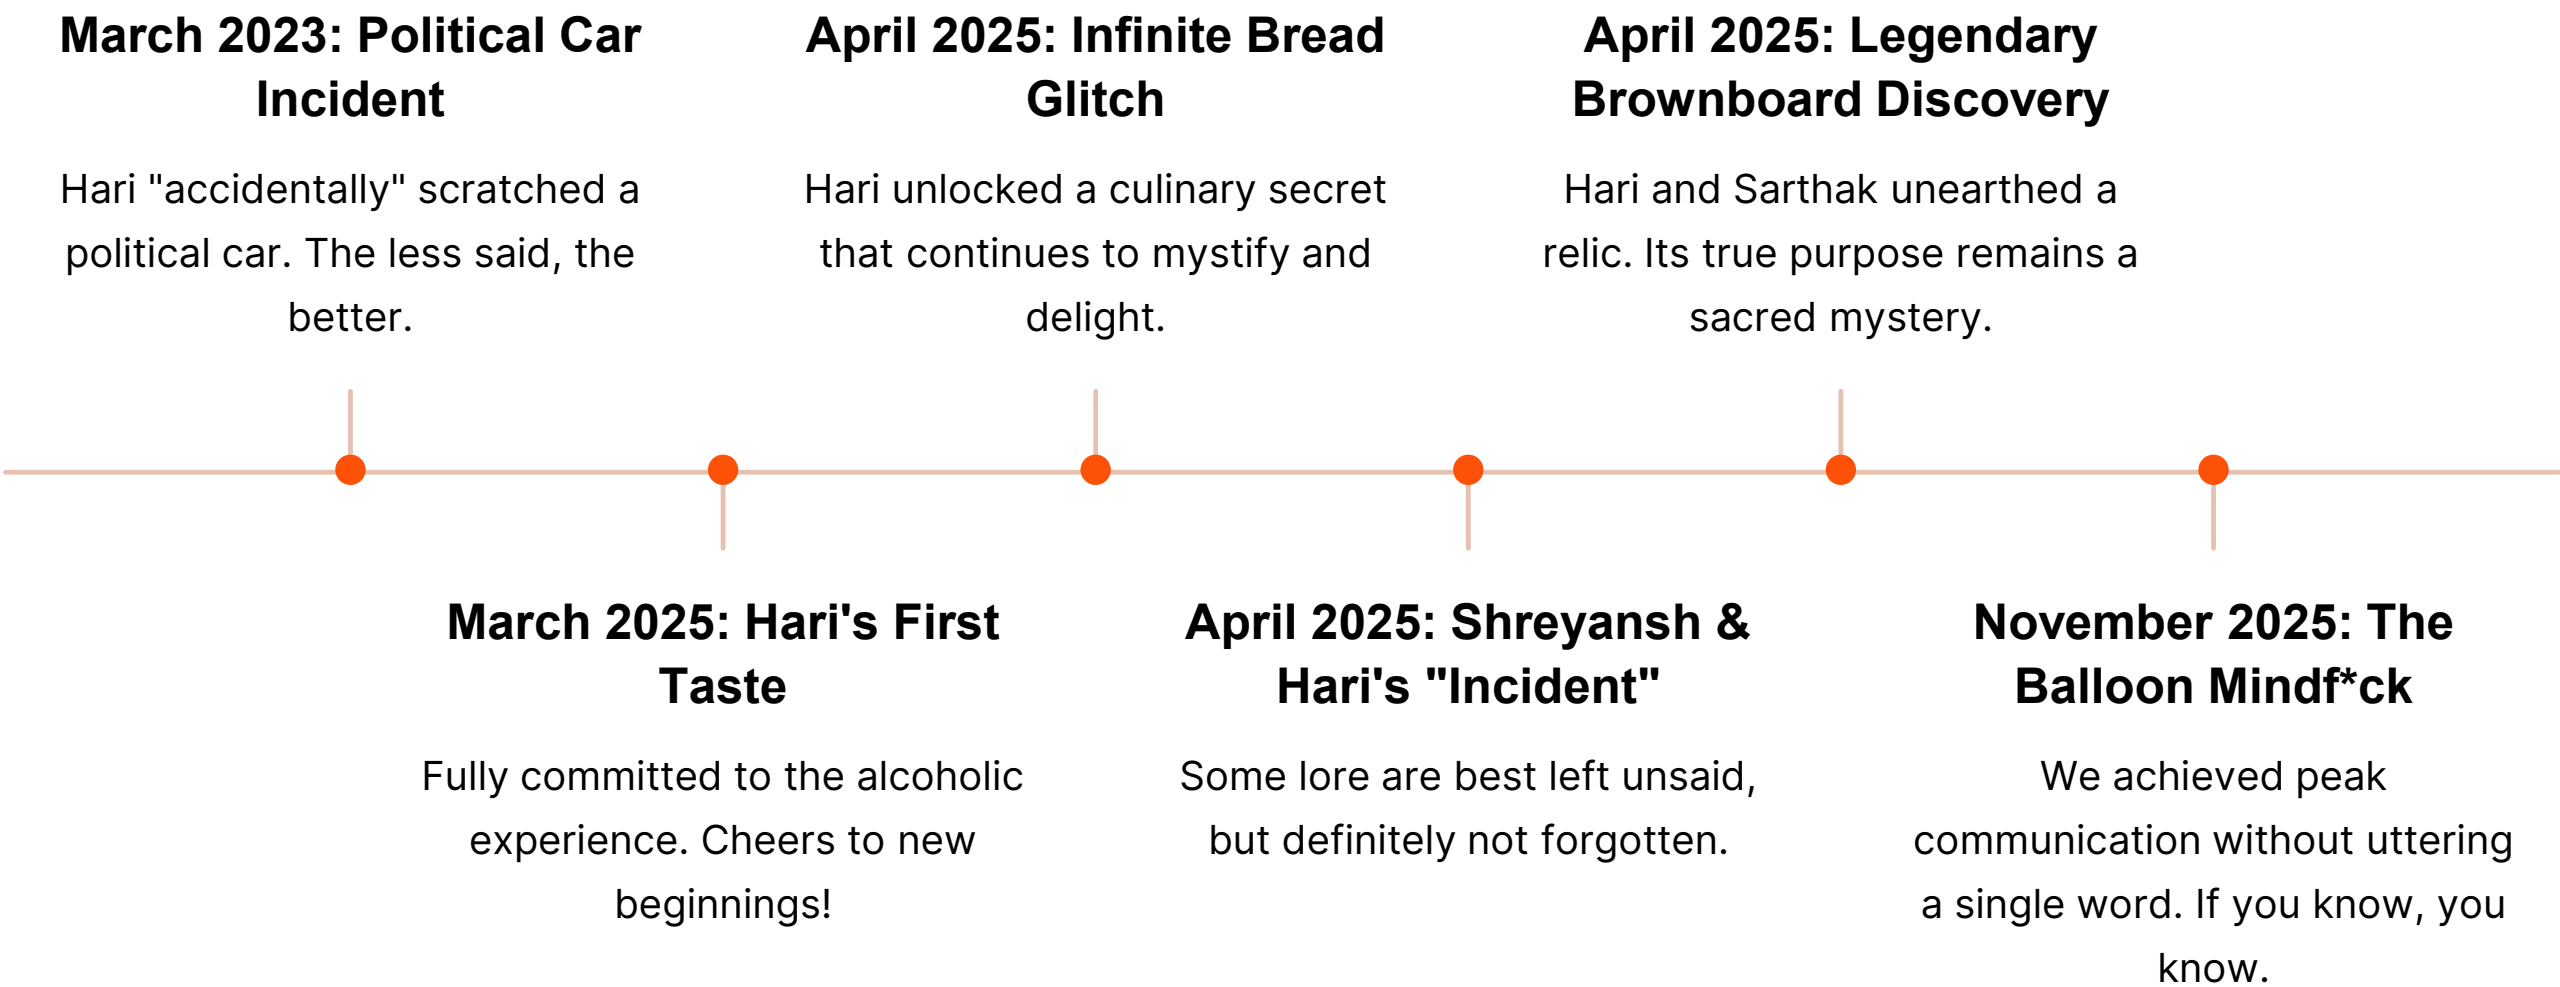

Our Track Record

Zero boring moments since 1947

Past Trip Highlights

Also: We're shitfaced drunk every single time, spend way too much on arcades, and Shreyansh & Hari's cricket skills get progressively worse with each match

What Our Past Victims Said

"I didn't plan to have this much fun,
but here we are"

"My expectations were low but
wow, you guys delivered"

"When's the next trip?"

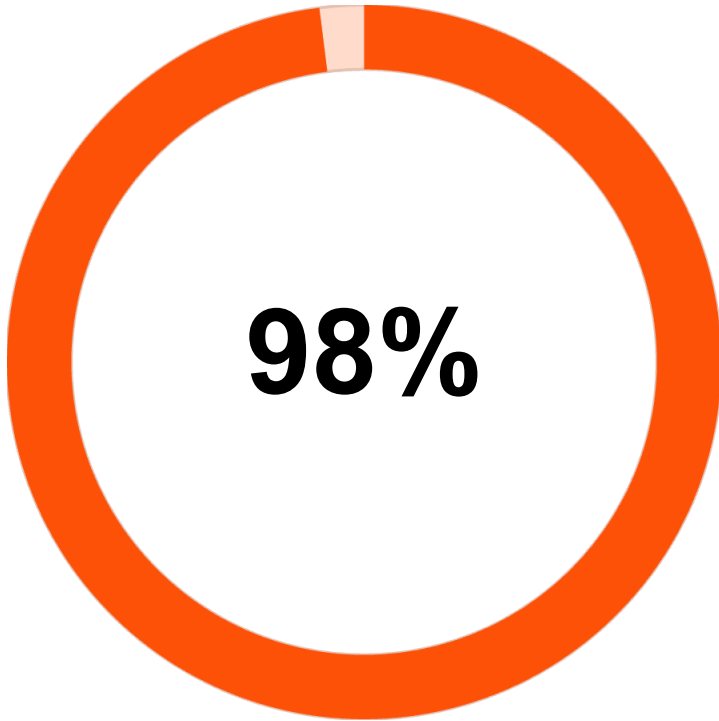

Totally Real Testimonials (Trust Us)

"I came a cynic, I left a changed human. My therapist is thrilled, my wallet less so, but my soul is singing!"

"The food! Oh, the food! I wept. Actual tears. My entire culinary philosophy has been shattered and rebuilt."

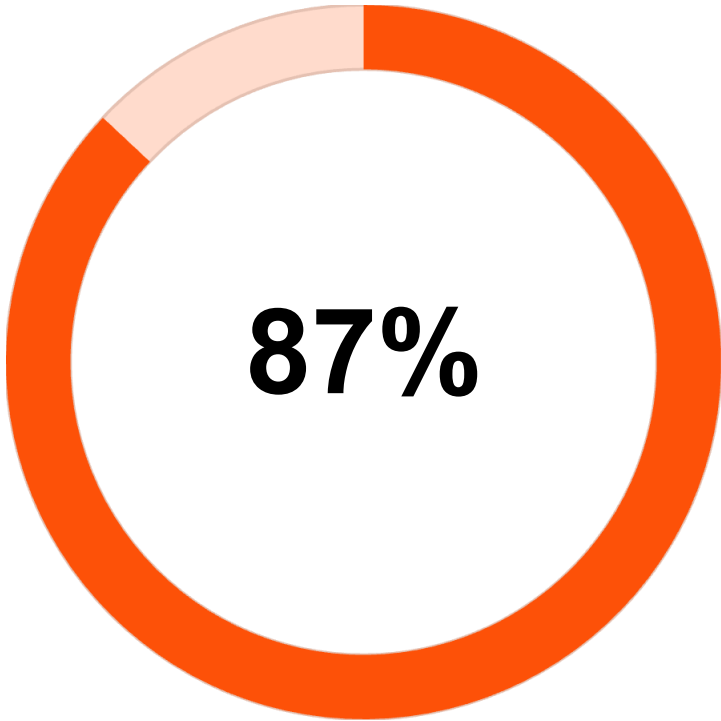

"My expectations were in the Mariana Trench. You guys not only met them but dug straight through to the other side of the planet."

Lore

The background of the slide is a light-colored, textured surface, possibly a map or a piece of paper, with faint lines and dots. Several paper airplanes of various colors (white, light blue, light orange, and light green) are scattered across the surface, some appearing to be in flight or landing. The overall aesthetic is clean and modern.

CHAPTER 2

The Actual Itinerary

Day 2

Sunday, January 25th

Morning: Recovery Mode

Sleeping off Saturday night's adventures

Saturday night was spirited. Sleep in, hydrate, recover. No judgment, no rush. Bangalore time = flexible time.

Brunch: TBD (depends on recovery levels)

Dress Code: Whatever's comfortable

Afternoon: Play Arena

Yes, we're adults. No, we don't care.

Shake off the morning cobwebs and embrace your inner child. We've booked a spot at the ultimate play arena for some friendly (or fiercely competitive) games. Get ready for a mix of arcade classics, VR experiences, and maybe even a round of laser tag.

This is your chance to show off those hidden talents or simply have a laugh trying. No prior experience required, just a willingness to play!

Location: [Play Arena]

Activities: Arcade Games, VR Experience, Laser Tag (TBD)

Attire: Comfortable clothes and shoes ready for action

Play Arena Activities

Trampolines

Defying gravity and age

Games

Getting embarrassingly competitive

Obstacle Course

Testing our fitness levels (spoiler: low)

Cricket

Because you know why

Why Play Arena?

It's actually fun

Burn calories before the next meal

Great for photos/videos

See who's the most athletic (spoiler: none of us)

young)

Church Street (Nariyal ke ped ke niche): A Vibe Check

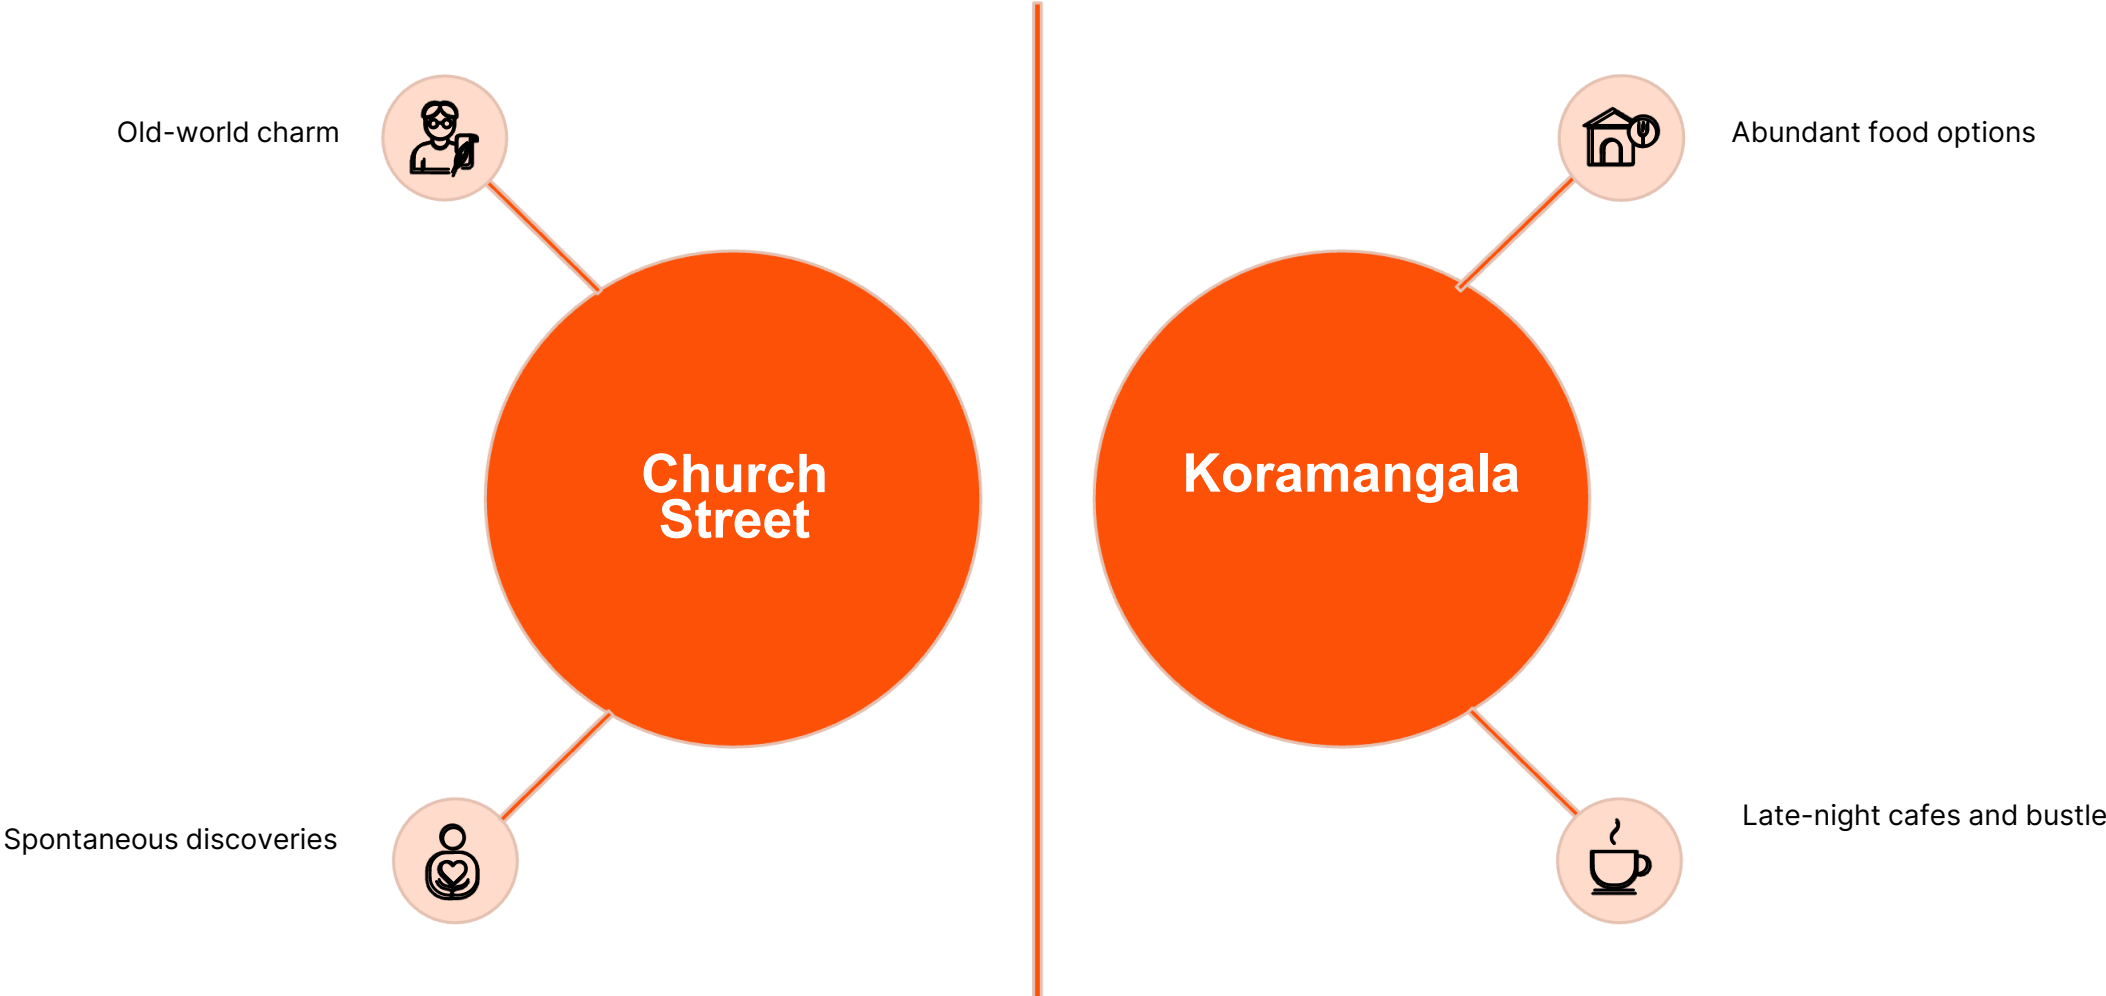

Old Bangalore charm meets modern chaos

Perfect for:

- Walking off dinner
- Random discoveries
- Late-night conversations

Koramangala vs. Church Street

DAY 3

Monday, January 26th

The mysterious day

Monday: The Open Canvas

This day is intentionally left flexible because:

- A) We might be tired
- B) Someone will have a brilliant idea
- C) All of the above
- D) Group vote decides!

Option 1: Cubbon Park & Museum

-  Morning walks in Cubbon Park's greenery
 -  Visit the Government Museum nearby
 -  Pretend we're sophisticated adults
-
-  Get great photos

Option 2: Lumbini Gardens

**Lake vibes, boating,
actually relaxing**

**Perfect for:
Recovering from
weekend chaos**

Option 3: The Food Crawl

Breakfast at MTR

Classic South Indian, legendary status

Coffee at Indian Coffee House

Old-school vibes, strong filter coffee

Lunch at Vidyarthi Bhavan

The masala dosa that changed lives

Dinner Surprise

Hari's secret weapon restaurant

Option 4: Nandi Hills Sunrise

Warning

Requires waking up at 4 AM

Reward

Incredible views and bragging rights

Reality

Sarthak will suggest this at midnight

Option 5: Drink All Day (Best Option)

Because sometimes, the best plan is no plan, just a continuous flow of liquid encouragement.

The Brunch Blitz

Mimosas (or whatever your heart desires) before noon. It's a lifestyle, not a problem.

Afternoon Antics

Deep philosophical discussions, spontaneous dance-offs, and questionable life choices. All fueled by... well, you know.

Evening Euphoria

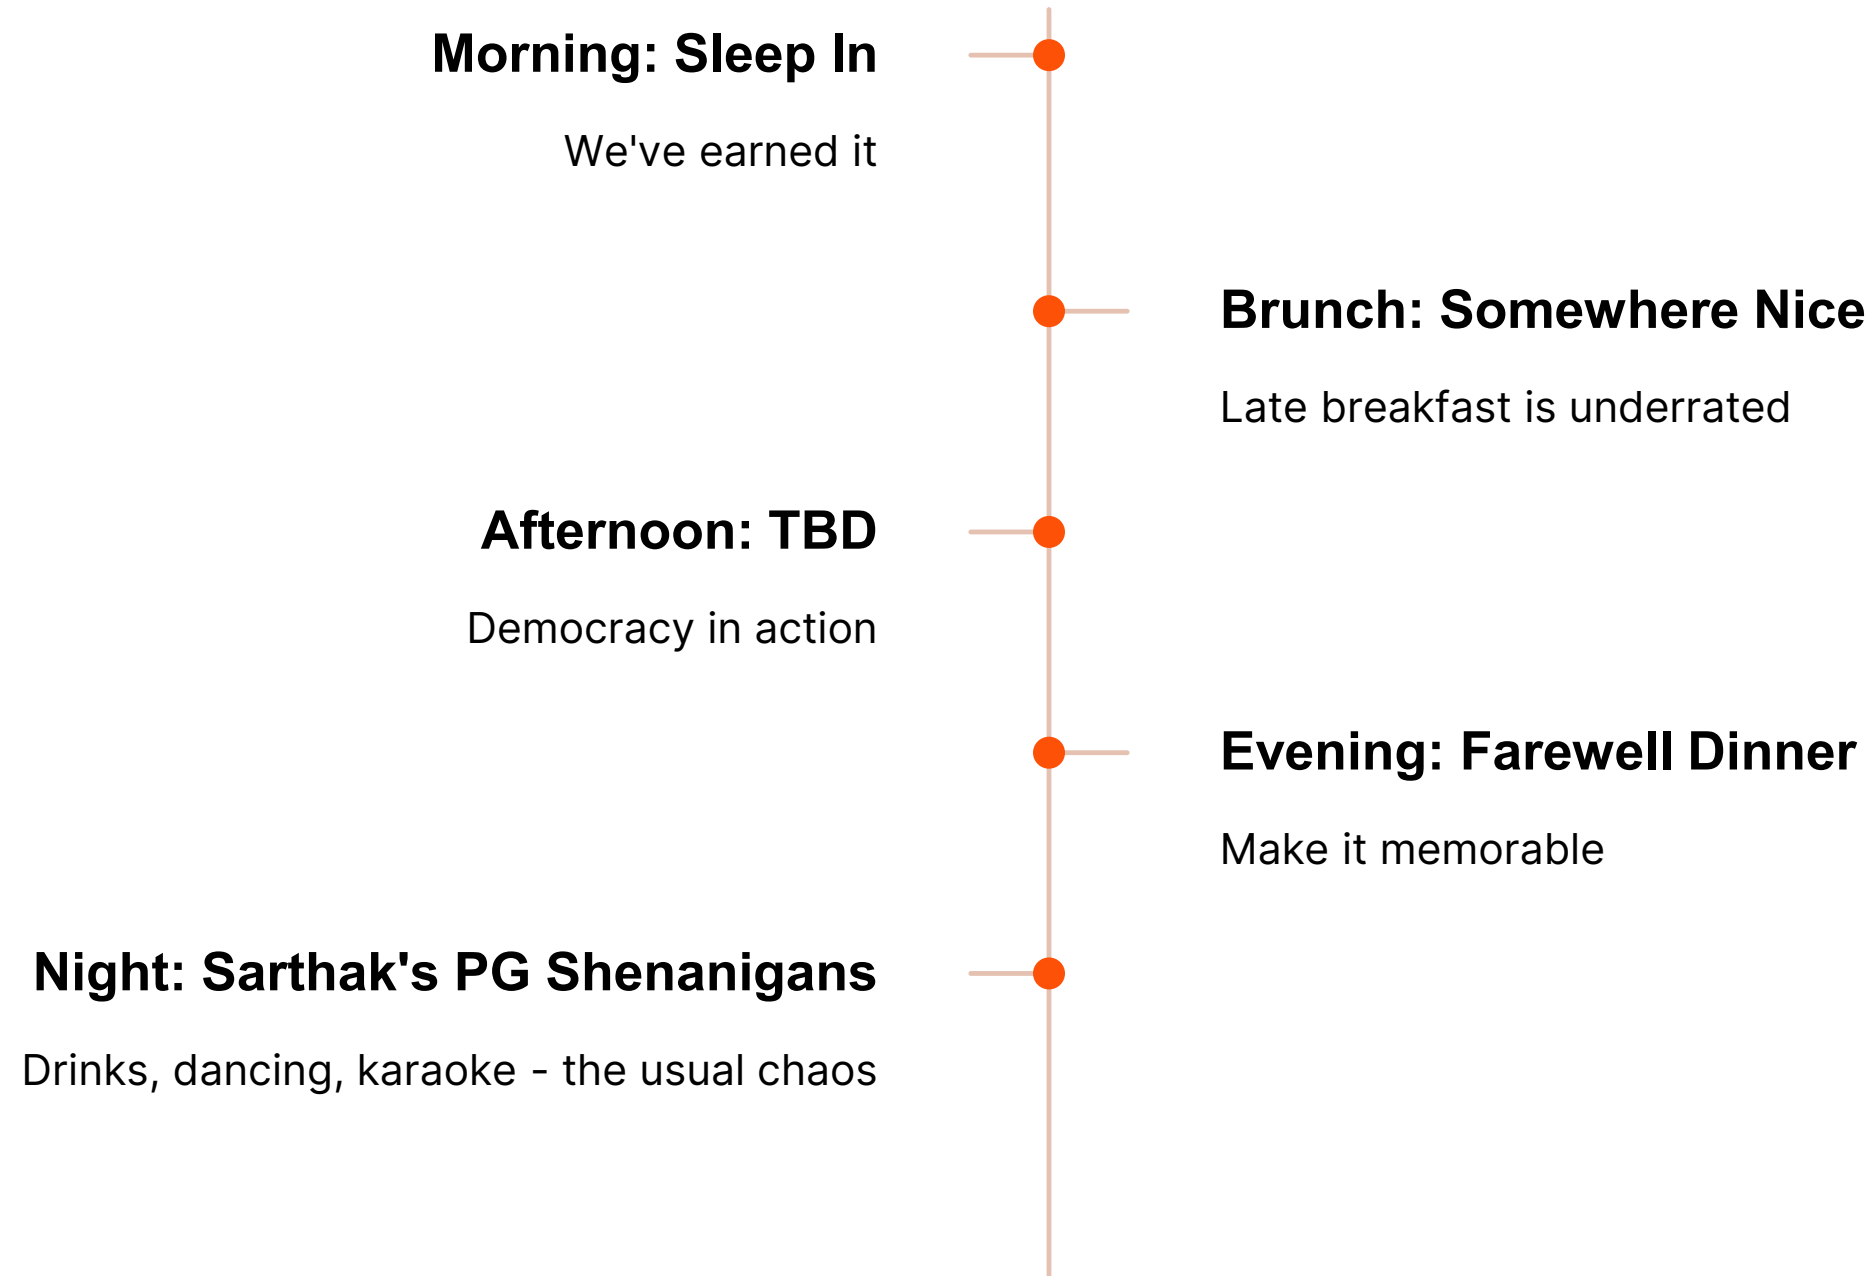

Exploring Bangalore's nightlife. Or just finding a comfortable spot and staying there. Who's counting?

Nightcap Nonsense

The night is still young, or maybe very old. Either way, there's always time for one more song (or drink).

Realistic Monday Schedule

Day 4

Tuesday, January 27th

The day of reckoning (aka going home)

Tuesday: The Bangalore Homecoming (for some)

For Shreyansh and Hari, who were just visiting Bangalore, it's time to jet back to their respective home bases in Mumbai and Delhi. The rest of the crew, especially Sarthak who happily stays put in Bangalore, are probably wondering what took us so long to rejoin reality. But don't worry, the next adventure is already brewing in our minds!

CHAPTER 3

The Fine Print

(Actually important stuff hidden in slide 47)

What's Included

Guaranteed Fun

Or your money back (JK, this is free)

Lore

Both intentional and accidental

Great Company

That's literally the whole point

What's NOT Included

Your Expenses

Your travel to Bangalore (if you're coming from Mumbai/Delhi)

Your share of food/activities

Souvenirs you don't need

Midnight snack cravings

Our Responsibility

Getting you home safely

Your life choices

Sarthak's random ideas

Monday morning regrets

Accommodation & Transportation

Accommodation

Hari, Shreyansh, and Sarthak will be staying at Sarthak's PG. This will be our central command, our operations hub, our home base for all the Bangalore shenanigans.

Transportation

All local travel will be via Uber/Ola. We'll split costs fairly among the group, keeping it simple and hassle-free. Hari knows the routes (trust the expert); don't worry about getting lost.

Things We'll Probably Regret

Saying "one more drink"

Because "one more" invariably turns into "the sun is rising, where are we, and why am I wearing a traffic cone?"

Trusting Sarthak's shortcuts

Which will inevitably lead us through a labyrinth of construction sites, cattle, and uncharted alleyways, adding an extra hour to a 15-minute journey.

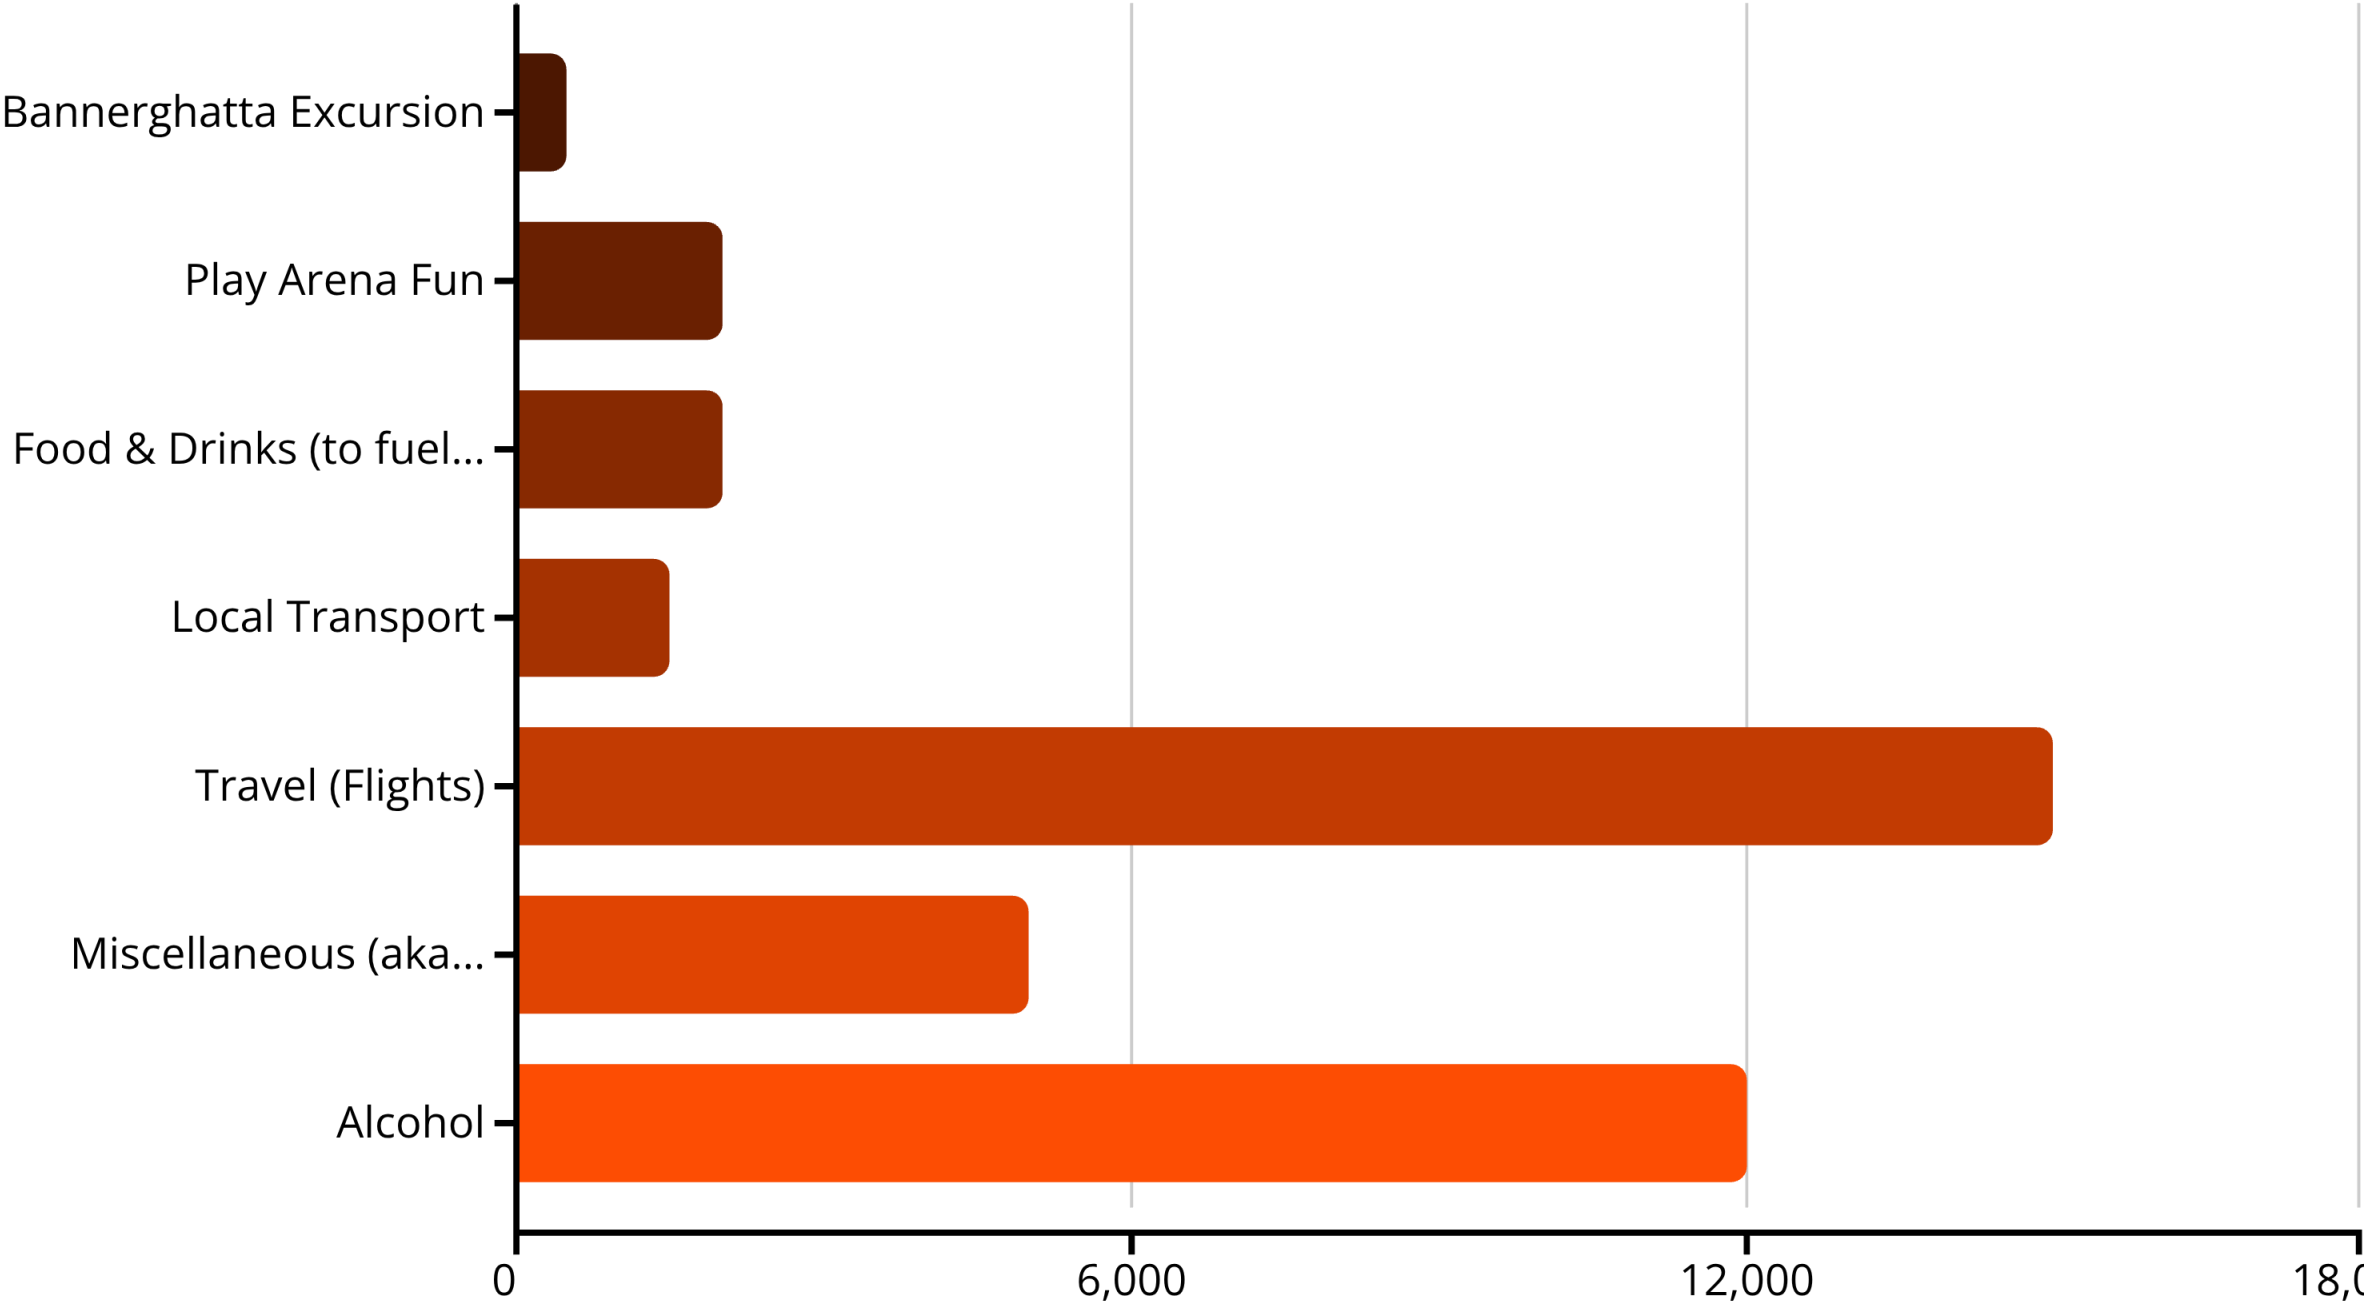

Ordering "just a little more" food

Because our eyes are always bigger than our stomachs, especially after a few drinks. Prepare for an epic food coma and the inevitable "who's going to eat the leftovers?" debate.

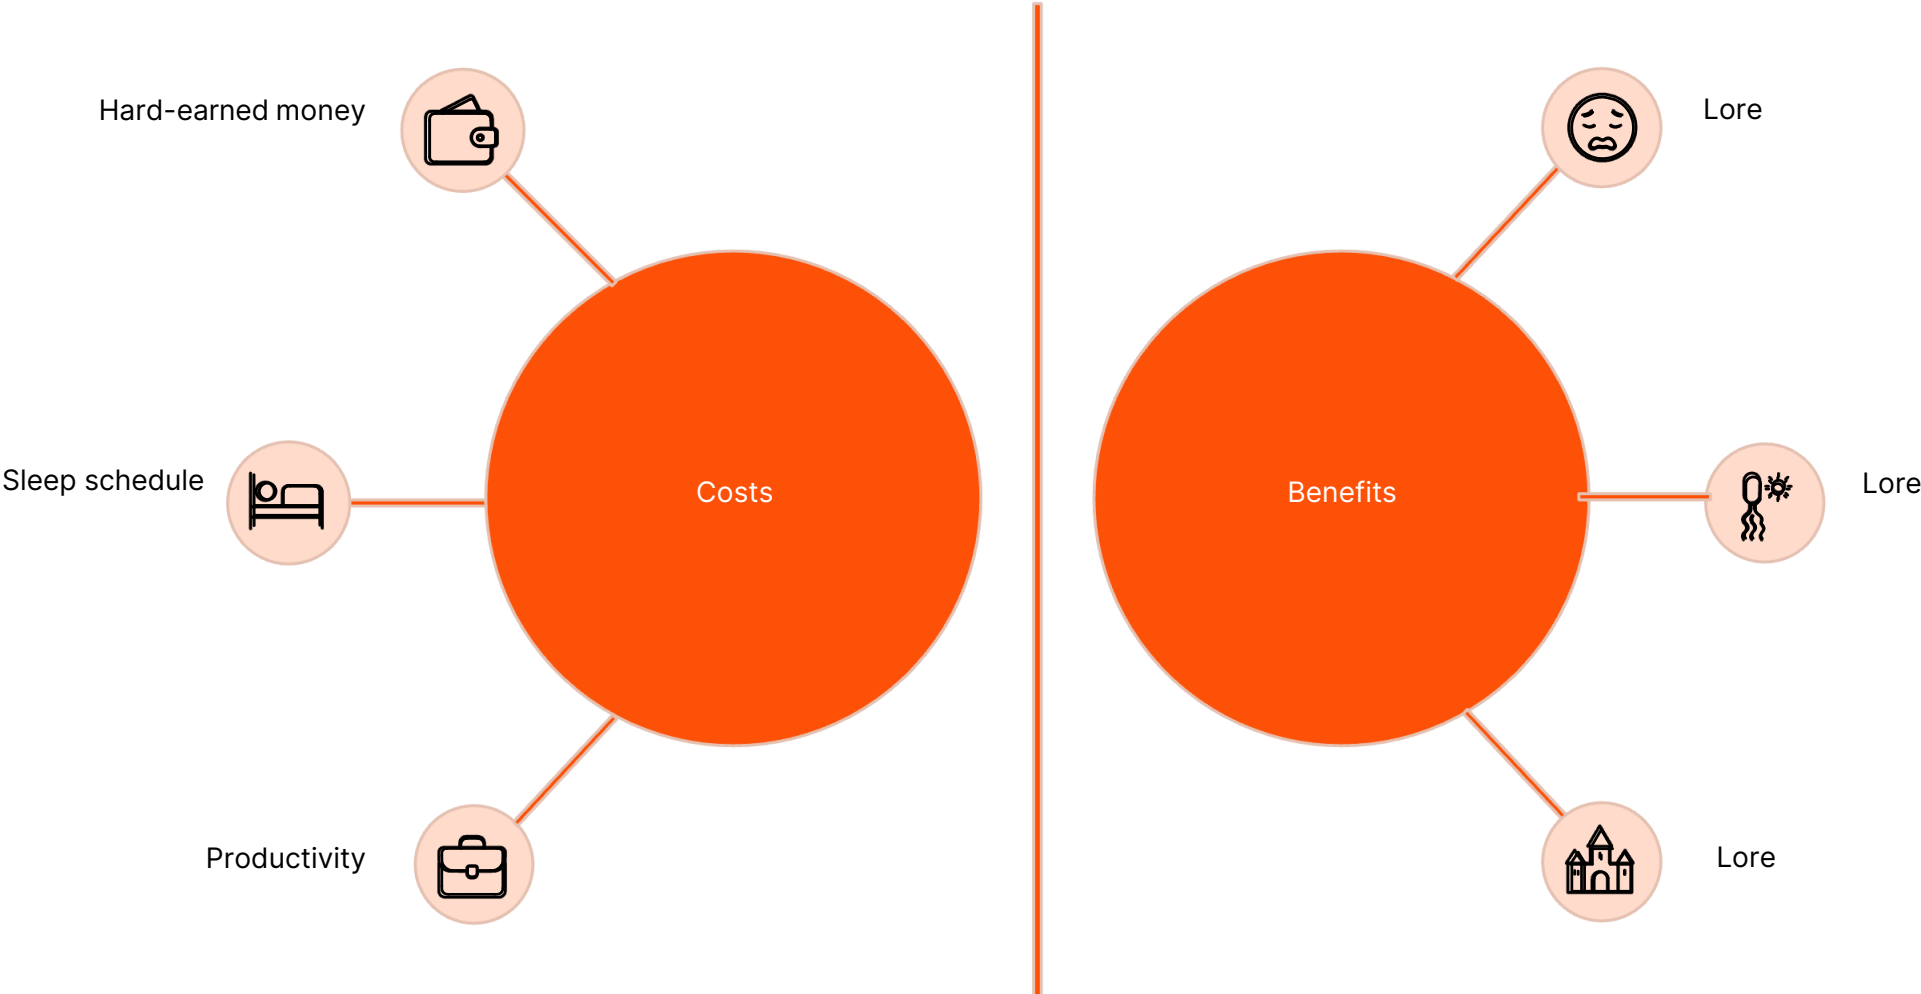

Staying up "just a bit longer"

Sacrificing precious sleep for late-night chats, board games, or binge-watching something terrible, only to curse our past selves when the alarm goes off.

Final Thoughts

This presentation was unnecessarily long.

The trip will be necessarily awesome.

Your presence will make it perfect.

The Real Reason We Made This

- Because hanging out with you all is genuinely the best part of visiting Bangalore
- And we wanted to make sure everyone knows when and where to be
- But mostly because we're extra like that
